[hubbawheels.com](http://hubbawheels.com)

**R**ising like a cake, coming straight from The Bake. Welcome Devine Calloway to the pro ranks. And it would only be civilized to pay homage to his hometown, Bakersfield, with a wheel that's as hot as the Oven City which this young buck represents. Devine's coming harder than Nolan Ryan, so pick up his first pro wheel, The Heater, and hit the street with the very best rolling under your feet.
